South Central Regional Show and Koer SV Fredrich Gerstenberg

We are excited to Welcome Herr Friedrich Gerstenberg

I reside in Kirchvordener Str. 20, 31228 Peine and was born on 18.06.1956 in Vöhrum. I am 43 years married and have 2 sons (41 and 38 years) and 1 daughter (30 years).

With my wife, I have built a small company in the heating and sanitary business, which we have operated for 34 years.

In 1971 I joined the SV and started with the dog sport. Working dogs and taking on managerial roles at a young age was what I wanted. Later, I also turned to the exhibition. The first litters I bred under the kennel name of my father, who joined me after SV. In 1977 I founded the kennel "von Haus Gerstenberg", which is to be regarded as hobby breeding. From this kennel so far 42 litters went out. My greatest successes were the male Zony of haus Gerstenberg V26 and Arek of haus Gerstenberg V38, which I also prepared for the winner's show.

In 2006, I was appointed by the SV for breeding judge, 2008, I was elected in Lower Saxony to the National Group Breed Wardens. In 2010, I received the appointment as a Körmeister.

I am in possession of the golden dog handler sports badge, feel tied in the middle of the SV's, as I continue to educate my dogs myself and prepare them for the exhibitions.

My biggest task as breeding judge was the appointment for the winner's show 2014 (Longstock hair class bitches and breeding groups) as well as 2016 the working dog class bitches Stockhaar. The dream was fulfilled with the working dog class bitches 2016. Here I had the absolute elite in the field of vision and was thus able to convince myself of the very high quality of our breed.

A Message from our Regional Board

Welcome to the 2018 South Central Regional Show and Breed Survey. A special Texas welcome to our Judge Friedrich Gerstenberg.

Austin and Lone Star SchH Clubs have worked long and hard to make this a memorable event. The trophies are really special. Lunch will be fantastic with James and Rob in charge! I've seen some of the raffle items and will be participating for sure.

Best of luck to all the dogs. But remember no matter where you place, you are all winners at the end of the day, you get to take the dog home.

Dr. Dena McGowan, South Central Regional Director

I would like welcome SV judge Friedrich Gerstenberg and all participants to the 2017 South Central Regional Conformation Show and Breed Survey. Our Region has a wealth of Conformation and Working line breeders who compete at the highest levels. I am extremely proud of all and any that participate on any level as everyone must start somewhere. Let us encourage and help the new comers and support our friends and colleagues in their endeavors. Wishing you all success in the events.

Jennifer Aguilar, Regional Breed Warden
